## Passenger Boarding and Alighting

Mountain Line buses only stop at signed bus stops throughout the city of Flagstaff to board and discharge passengers. Drivers have been instructed not to stop unless someone is waiting at the bus stop to board or a discharge is requested. Passengers must inform the driver that they want to discharge one block before their bus stop by pulling the cord located above the windows.

## Embarco y Descargar de Pasajeros

Los autobuses de Mountain Line solamente paran en paradas designadas por toda la ciudad de Flagstaff para embarcar y descargar pasajeros. Conductores han recibido instrucciones de no parar a menos que alguien este esperando en la parada del autobús para embarcar o se solicita una descarga. Los pasajeros deben informar al conductor que quieren descargar una cuadra antes de su parada, tirando el cable situado encima de las ventanas.

## Special Needs / Paratransit

For those unable to use the fixed-route bus system, the Mountain Lift paratransit system provides special needs demand-response service to persons who, because of a disability, cannot ride the public bus and are approved in advance. For more information about Mountain Lift, call (928) 779-6624, Ext. 2.

## Necesidades Especiales / Paratránsito

Para aquellos que no pueden utilizar el sistema de autobuses de ruta fija, el sistema paratránsito de Mountain Lift ofrece servicios de respuesta a la demanda a personas que, a causa de una discapacidad, no pueden viajar en el autobús público y están aprobados por adelantado. Para obtener más información acerca de Mountain Lift, llame al (928) 779-6624, Ext. 2.

### Customer Rights

Customers using public transit are given equal access, seating, and treatment without regard to age, sex, race, color, national origin, disability, sexual preference, or gender identification. These rights also apply to service frequency, vehicle age and quality, and bus stop quality (FTA Circular 4702.1).

### How to File a Complaint

Customers wishing to file a complaint – including discrimination due to disability, race, color, national origin, sexual preference, or gender identification – may call Internal Services at (928) 679-8908. TTY is available through Arizona Relay Service at 1-800-367-8939.

In accordance with federal standards (28 CFR Part 35 and FTA Circular 4702.1), all regional transit providers are trained in the correct processing, investigation, and documentation of passenger complaints involving discrimination based on disability, race, color, national origin, sexual preference, or gender identification. Northern Arizona Intergovernmental Public Transportation Authority monitors the complaint process as well as completed reports.

All complaints received by Administrative Services are documented and assigned to the appropriate transit staff for investigation. After the complaint is processed, a response is sent to the customer filing the complaint and appropriate corrective action is taken.

## Titulo VI

### Derechos Del Cliente

Los clientes que utilizan el transporte público se les da igualdad de acceso, de estar y de trato sin distinción de edad, sexo, raza, color, origen nacional, discapacidad, preferencia sexual, o identificación de género. Estos derechos se aplican también a la frecuencia del servicio, la edad y la calidad del vehículo, y la calidad de parada de autobús (Circular del FTA 4702.1).

La Autoridad de Transporte Público Intergubernamental del Norte de Arizona (NAIPTA) supervisa el proceso de la queja, así como reportes completos.

Todas las quejas recibidas por los Servicios Administrativos se documentan y se asignan al personal de transporte adecuado para la investigación. Después que la queja está procesada, una respuesta se envía al cliente que está presentando la queja, y se toman medidas correctivas apropiadas.
