

# MOUNTAIN LINE REAL TIME BUS INFO

TRACK  
YOUR BUS  
IN REAL TIME

DOWNLOAD THE  
**FLGRide** APP

## FLGRide

Mountain Line's FLGRide app works with GPS technology to allow riders to pinpoint each vehicle's exact location, and receive reliable, real-time arrival information for each stop. FLGRide also features service alerts to let riders know about events that might impact their trip.

This pamphlet will show you all the ways you can find out exactly when the next bus will serve your stop.

## HOW DO I USE IT?

Download the free FLGRide app for iOS or Android at the Apple App Store or Google Play. After downloading FLGRide you can find out when the next bus will be at a specific stop.

For routes and schedule information call **(928) 779-6624**.

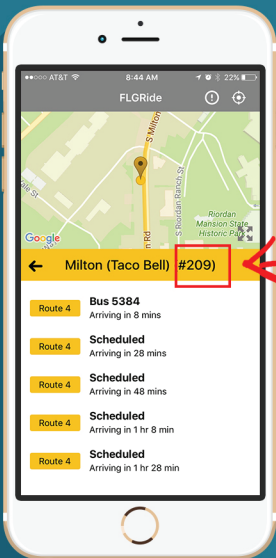

Tap the four arrows in the lower-right of the map to toggle between a larger and smaller map.

Tapping the compass icon in the upper-right will show you where you are on the map. (Requires location services to be enabled.)

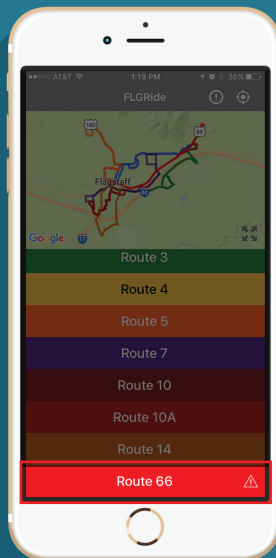

To find out when your bus will be arriving select the route.

Select the stop name, or tap on the bus stop on the map.

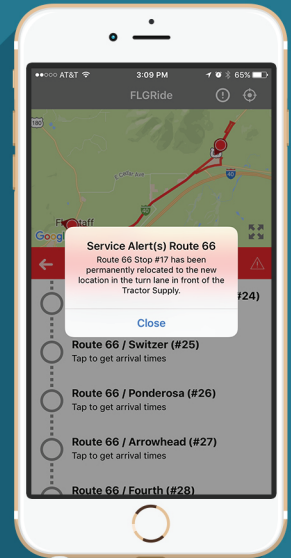

SMS Texting Stop Code Number

If there is an exclamation mark to the right of a route, tap on it to view details.

Bus locations will show once you've selected a route or stop, and will update about every 45 seconds.

View service alerts, delays, stop closures, etc.

## NO SMARTPHONE?

Access real-time arrival times via SMS texting in three easy steps:

1. Find your stop code at all bus stops or on the Mountain Line website

2. Text the word MLINE, a space, and then the stop code number (Example: MLINE 53) to 47711.

3. You will receive a reply with the upcoming arrivals for your stop.

Message and data rates may apply. For more information, please text MLINE HELP to 47711. To opt-out, text MLINE STOP to 47711.

## DESKTOP COMPUTER ACCESS:

View a live route map on the Mountain Line website at:
