

## Request for Quotations

**Serial Number:** RFQ 2018-302  
**Description:** Sand – Oil Interceptor Service  
**Due:** Friday, July 21, 2017 at 2:00 pm local time

**Northern Arizona Intergovernmental Public Transportation Authority (NAIPTA)** is seeking quotations from qualified vendors to provide vacuum service and disposal service for our two sand/oil interceptors (1,100gl and 2000gl) as well as our bus wash system settlement sump pits (3) and 300gl reclaim sludge tank. The interceptors and bus wash are located at our main office in Flagstaff, Arizona at 3773 N Kaspar Dr. The current service scheduled is approx. every three months and historically solids within the interceptor and bus wash are between 10-30%. Disposal must be completed within any applicable regulatory requirements. We are seeking quotes for service a minimum of 4 times per year and a quote for additional on call service if price is different. Quotes are to be inclusive of all fees per service and specify waste end destination location.

Quotations for service as described will be received thru Friday, July 21, 2017 at 2:00pm local time. Quotations are to be delivered electronically to [purchasing@naipta.az.gov](mailto:purchasing@naipta.az.gov) with the serial number in the subject of the message and appropriate contact information for the vendor in the body. The email must confirm the vendor is willing and able to provide services as described.

This is not a sealed bid process and quotations will be submitted electronically as per the instructions in this RFQ. Award shall be made with reasonable promptness by giving written notice to the Vendor whose quotation represents best value to NAIPTA. Award may be made to other than the low cost quotation depending on other influencing factors, including references, availability and disposal methods. However, all quotations may be rejected if the CEO & General Manager determines that rejection is in the public interest.
