

Public Notice of Intent to Procure

December 3, 2020 July 27, 2021

Notice is hereby given:

Northern Arizona Intergovernmental Public Transportation Authority (Mountain Line) intends to release a Request for Statement of Qualifications for Civil Engineering and Design Services. The Civil Engineer will be responsible for completing the civil design, coordination with the architectural design team and Project Stakeholders, assist in obtaining all necessary permits for construction and occupancy, and construction administration for the new Downtown Connection Center project.

The complete RSOQ will be available upon release on our website at:

<https://mountainline.az.gov/services-programs/purchasing/>

Interested vendors are encouraged to check the website regularly for updates, and to register as a vendor at the same web address.

Statements of Qualifications will be submitted electronically as per the instructions in the RSOQ. Award shall be made with reasonable promptness by giving written notice to the Proposer whose proposal best conforms to the invitation and will be the most advantageous to Northern Arizona Intergovernmental Public Transportation Authority (Mountain Line). Other factors to be considered may include, but are not limited to, quality, uniformity of product, and Proposer's past performance on other contracts. However, proposals may be rejected if Northern Arizona Intergovernmental Public Transportation Authority (Mountain Line) determines that rejection is in the public interest.

Please send all questions to purchasing@naipta.az.gov.

Sincerely,

Heather Higgins
Purchasing and Contracts Officer, DBELO, DPPA
