TO: ALL INTERESTED VENDORS

FROM: HEATHER HIGGINS, PURCHASING AND CONTRACTS OFFICER

SUBJECT: REQUEST FOR INFORMATION: FINANCIAL SOFTWARE SYSTEM SOLUTIONS

DUE DATE: SEPTEMBER 9, 2022

Mountain Line is seeking input from vendors responsible for or involved in implementation of financial software solutions. We are seeking both written and verbal information, including demonstrations on functionality of systems in order to evaluate available options and determine Mountain Line needs for development of future procurement documents.

The deadline for contacting Mountain Line to provide information or participate in the call for demonstrations is Friday, September 9, 2022, at 5:00 PM AZ. Interested vendors should contact Heather Higgins at purchasing@mountainline.az.gov to set up a time to meet with the finance team to present information.

Non-participation in request for information does not preclude your agency from submitting a proposal once the Request for Proposals is released.

Sincerely,

Heather Higgins
Purchasing and Contracts Officer, DBELO, DPPA
