There are three sections to this application. Parts A and B are to be filled out by the applicant or by someone on the applicant's behalf. Part C is to be filled out by a professional familiar with the applicant's <u>functional</u> abilities. The application process is considered complete when parts A, B, and C are received, and an eligibility interview is completed.

Please complete this application to the best of your ability and as thoroughly as possible. If you have difficulty answering any questions on the application or if you need assistance completing this form, please contact our Eligibility Specialist at (928) 679-8911. For the application to be considered complete, **every** question on the application must be answered. If a question does not apply to you, please write 'Not Applicable' or 'NA'.

The purpose of this application is to provide an opportunity for you to describe how your disability prevents you from riding the fixed-route system. This includes any environmental and/or physical barriers that prevent you from riding the fixed-route transit buses. The unavailability of fixed-route transit bus service does not constitute eligibility for a person who could otherwise take the same trip on transit buses, if service were available.

Information contained in this application will be kept confidential and will only be shared with the professionals involved in the evaluation of your eligibility for Mountain Lift Paratransit Services or others if disclosure is required by law.
